## Beurteilung

Gebiss	Zahnfehler	Widerristhöhe
<b>Scherengebiss</b>		
<p>20 month old female, red sable with black mask. Very nice general appearance, feminin head, correct ears, eyes and pigmentation, medium sized, exc. front and rear, correct proportions and angulations, correct top and lower line. Exc. coat and tail, very nice temperament, correct movement and very nice presentation. Excellent</p>
